To you who are looking for
a proposal
of **freedom,**
faith
and **service**

*Secular Institute
Regnum Mariae*

We are **lay consecrated women**, living
in the world according to the evangelical counsels
of **poverty, chastity** and **obedience: a triad
which leads men and women to go beyond
themselves**, to be in the world, open to dialogue
in a welcoming and responsible attitude.

In today's history God calls us to be a fragment
of his covenant.

**You may be a figure of relationship
at the service of the brothers!**

"To be in the world" by loving it.

By welcoming it the way it is, without judging it,
dialoguing with it, walking together with it, in order
to acknowledge, with joy and thanksgiving, its
positive aspects and to be attentive to its needs
and reasons.

"To be in the world" as evangelical salt, yeast
and light, without expecting any reward
and without any arrogance, **like Mary**.

"To be in the world" by sharing the same bread
and the same lot with responsibility and love.

"To be in the world" not as conformists,
but inside history, as strangers, walking toward
the others.
